## NEW MEMBER PROFILE

The owners and staff of Purr'n Pooch would like to thank you for giving us the opportunity to introduce your dog to our world class facility. Just like with children, we strive to provide the very best experience for your dog by placing your dog with dogs of similar temperament and activity level. This experience should be like a day at an amusement park for your dog, where he gets to socialize, play in the pool and on the play equipment, be able to take a nap, soak up the sun and romp to his heart's content.

In order to ensure that your dog has a great experience, we'd like for you to fill out this simple questionnaire that describes your dog's experiences with other dogs, his temperament and activity level. Purr'n Pooch Pet Resorts will not hold themselves responsible for any injury during social play.
